Presentation – City Code Review – Chapter 1 City Cemeteries

The codes that are in place have typically evolved from a past situation/s. The cemetery also has a policy manual that supports the code. The owner gets a land deed, but the land is only to be used for interment purposes. Cemetery hours are ½ hour after sunrise to ½ hour before sunset. No dogs are allowed in the cemetery. The cemetery has about 40-50 years worth of burials left based on current averages.
