**FOR IMMEDIATE RELEASE
FEBRUARY 10, 2022**

CITY TO HOST PUBLIC MEETING ON WEST HILL PHASE 5

Residents, invited to receive update on sewer separation project at Feb. 17 meeting

MUSCATINE, Iowa – The City of Muscatine will host a public information meeting on Phase 5 of the West Hill Sanitary & Storm Sewer Separation Project from 5-6:00 p.m. on Thursday, Feb. 17, in the Council Chambers at Muscatine City Hall, 215 Sycamore St., Muscatine. This will be an open house format with no formal agenda for the meeting. Maps will be available for the public to review.

Representatives from the Department of Public Works, and general contractor Hagerty Earthworks LLC will be on hand to update the public on the schedule for the second year of the three-year project, and answer questions about any issues that the public may have.

Phase II of the project will replace the combined sewer along with other infrastructure improvements on Climer, High, Logan, and Lucas streets, and Knott Avenue.

A schedule of the work for 2022 and what is planned for 2023 will be available during the public meeting. The public, especially anyone in the affected construction area, is welcome to attend the meeting.

More information can be found on the [West Hill](#) page on the City of Muscatine website.
