City Council directed staff to bring forward options for specific and restructure regulation of cargo container placement. The proposed regulations that are the subject of the first public hearing Thursday, would be placed in Chapter 20 of Title 10 (Zoning) of City Code. For a detailed look at the regulations click on [Proposed Code Changes](#).

The second public hearing concerns the proposed revision to the weed and vegetation management regulations with the intent to make them easier to understand and enforce. The revision would relocate and centralize weed and vegetation into a single new chapter. Current regulations are spread across multiple chapters of City Code. For a detailed look at the proposed new chapter click on [Title 16 Chapter 8](#).
