**FOR IMMEDIATE RELEASE  
NOVEMBER 30, 2022**

## **LIGHTING UP THE NIGHT WITH A HOLIDAY SPECTACULAR**

*Big weekend of holiday events includes return of bridge lights and sound*

**MUSCATINE, Iowa** – Downtown Muscatine is the place to be this weekend with a variety of activities to kick off the holiday season including the Parks & Recreation Candy Cane Hunt, Jingle & Mingle sponsored by Discover Muscatine, and a visit by the Canadian Pacific Holiday Train.

Not least among these events is the Friday premiere of a featured event that quickly became a holiday classic and a must see for Muscatine residents and visitors. Muso Lighting has again partnered with Muscatine Power & Water (MPW) and the City of Muscatine to bring a musical light show featuring Muscatine's Norbert F. Beckey Bridge.

The final touches are currently being made to the design of this year's show that will include an introduction, eight songs including several new songs, and a running time of 13 minutes. Last year's production had a running time of eight minutes and proved to be a huge success.

The 2022 version will premier at 7 p.m. on Friday, December 2, with residents able to tune into 87.9 FM to listen to the special holiday music while watching the light show from the warmth and convenience of their vehicles while parked in Riverside Park. The program will run every day from 5:00 p.m. to 12 a.m. through January 8, 2023.
