**FOR IMMEDIATE RELEASE
SEPTEMBER 13, 2023**

CITY COUNCIL TO MEET TWICE ON THE SAME NIGHT

Muscatine to conduct regular session, in-depth session Thursday in Council chambers

MUSCATINE, Iowa – The Muscatine City Council will conduct two meetings Thursday with the in-depth session now scheduled to follow a regular Council session that was moved up from the original September 21 date. The change was made due to several council members and staff being away at the Iowa League of Cities conference next week.

The rescheduled September 21 regular session will begin at 6 p.m. Four proclamations will be read and signed by Muscatine Mayor Brad Bark including Public Power Week 2023, National Day of Truth and Reconciliation, Indigenous People’s Day, and Latino and Hispanic Heritage Month.

A public hearing will be held on the Downtown Revitalization Project. The \$1.157 project will be funded by an Iowa Economic Development Authority Community Development Block Grant, tax increment financing, and property owner resources. You can find more information on this topic by downloading the [AGENDA PACKET](#).

The in-depth session will follow the regular session with presentations on the City Wayfinding Project, the potential relocation of the dredge spoil dewatering operation, changes to City Code regarding animal regulations, and an update on building code items.
