## HOLIDAY FUN WILL BE FOUND AT THE ELVES WORKSHOP

Santa to have remote workshop at Muscatine Mall with fun and games for one and all

**MUSCATINE, Iowa** – Santa and his elves are taking a break from the hustle and bustle of the North Pole, and offering a remote workshop in Muscatine where the young and old can take their turn to be an elf for a day.

The Elves Workshop, an annual event co-sponsored by Santa and the Muscatine Parks and Recreation Department, is returning to the Muscatine Mall just in time for the final push before the Christmas holiday. Bring the entire family to this one-of-a-kind event that will be held from 1-3 p.m. on Saturday, December 9, 2023.

Fun and games galore will be in store as the hallways of the Muscatine Mall are transformed into a version of the North Pole. Children will be able to visit Santa's workshop and participate in a wide variety of activities including decorating craft items, making their very own holiday cards, participating in reindeer games, and even whispering their Christmas wishes to Saint Nick himself.

The Elves Workshop is a FREE activity for children and families with no pre-registration required.
