

**2022**  
**LEAF PICKUP SCHEDULE**  
**City of Muscatine**  
**Public Works (563)263-8933**

You can help us out

- Please have leaves out to the curb by 7 a.m. the scheduled day of pickup
- Rake only leaves into piles. The vacuum cannot pick up sticks, brush, garden refuse, bricks and trash
- Parked cars hamper leaf pickup. Please be considerate when parking on the street and avoid parking near leaf piles on scheduled pickup days

Some final reminders

- Equipment breakdowns and heavy rains can slow progress, and snowstorms can curtail the program
- Snow removal will take priority and the program will be postponed until spring
