

Department Activity Report April 2023

April Highlights of City Activity

Department of Administration - City Administrator - Presented 39 regular agenda items for consideration by City Council. Continued to assess recent changes in state laws that may have an affect on city operations, and coordinated a presentation with Finance Director Nancy Lueck during the April In-Depth session.

Department of Administration - Finance Department – Continued updating narrative and financial schedules to be included in the published budget. Prepared the new sewer rate ordinance and new refuse collection rate ordinance for City Council consideration.

Department of Public Works – The Street Maintenance Division filled 123 potholes during the month despite spending most of staff's time dealing with spring flooding of the Mississippi River. The Solid Waste Division had 365 stops for bulky waste pickup in April with an average of 228 points per stop.

Community Development Department – The Community Development Director was elected to be President of the Iowa Chapter of the National Association of Housing and Redevelopment Organization (NAHRO) effective October 8, 2023. The Historic Preservation Commission (HPC), in partnership with the County HPC, is planning to host a conference to help property owners understand how to use resources to fund rehab activities.

Housing Agency – Thirty households attended seven Housing Counseling classes, six in the first-time homebuyer course and 24 in Step Ahead, Renter Education.

Parks and Recreation Department – With spring comes mowing and weed control in all of our landscape beds. Restrooms and drinking fountains have been turned on at all park sites. The Rose Garden in Weed Park has just begun to bud out and flowers will be blooming soon. The hanging baskets for the downtown streets have been planted and are filling in nicely. Vision Center donated and planted 25 hackberry saplings planted in air pots at the Weed Park Greenhouse. Sand volleyball nets were installed for use. Flood preparations have begun. Riverview Center and Pearl City Station will be closed and sandbagged and the trail system will be closed.

Fire Department – MFD participated in Operation Prom, the presentation of a motivating scenario meant to help young people make good choices on prom night. The first 'Stop the Bleed' training event was held. There has been overwhelming support for this training. Spots fill up fast and we have started waiting lists!

Police Department – The first ALL Female shift took to the street on April 6th. Capt. Jirak guided a building tour to home school children followed by a question and answer session. Officer Avis and Officer Staley graduated from the Iowa Law Enforcement Academy. Officer Middagh engaged neighborhood girls in conversation about being a female police officer, establishing a positive law enforcement interaction with young community members.

The City Administrator's Monthly Report is intended to provide a brief summary of City activities, with links to additional information where possible. Due to the variety and complexity of City functions, however, the report is not all-encompassing. Please always feel free to contact the City of Muscatine for more information or with questions or concerns. View past and upcoming events on the City's calendar. Any feedback can be provided to the City Administrator's office by sending an email to feedback@muscatineiowa.gov.

Kent Stein Division

Kent Stein Park opened the last week in March. Staff has been adding ag lime to infield dirt areas, leveling infields, fixing fence issues, and changing damaged bases. Water to the restrooms at both east and west concession areas have been fully operational. We have received our new infield groomer and have been using it in our daily preparations. Practices and games are now underway for the local organizations during the week. There were three scheduled tournaments for the month of April. The Lady Hitmen Organization was able to hold their entire event with 28 teams. Unfortunately, the Monsters Tournament and TBT Sports Tournament had to cancel half of their events due to mother nature.

Soccer Complex Division

The soccer complex facilities opened the weekend of April 1st. The robotic painter arrived and staff were trained on how to operate the equipment. Both sprinkler systems have been energized and operational. We continue to train new staff on onsite supervisor positions and are still looking for more. Staff continues to maintain fields with seeding thin areas and fertilizing all fields. Games are now underway at the main complex for the following groups: Community YMCA, Pearl City Soccer Club, Muscatine Soccer Club, EIYSL, ISA, and both Pearl City Soccer Club and Muscatine Soccer Club adult leagues. Groups have also started their spring practices at the Soccer West facility and schedules are posted daily at the kiosk to allow for drop in usage.

Golf Divisions

The golf course had a nice month as we saw stretches of nice weather. 2 Leagues started up in the Month of April. Staff continues to be trained on customer service and cash handling expectations. The new simulator was taken down and put into storage. The old simulator was listed as surplus and the auction will last into May. Greens, tees, fairways and rough all had spring fertilizer with weed control applied. All winter debris was removed from the course. New ball washers were installed.

Department of Public Works

The Public Works Department is composed of eight divisions which include: Administration, Building & Grounds Maintenance, Collection & Drainage, Engineering, Roadway Maintenance, Solid Waste, Transit (Muscabus), and Vehicle Maintenance. For budgeting purposes several of these divisions are broken down into subdivisions. For the purpose of the monthly report there will be several divisions that will be reporting consistently, while others may only be reporting on special events or accomplishments.

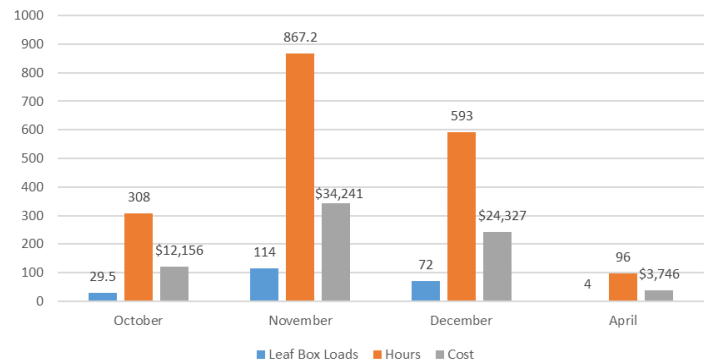

Roadway Maintenance Division April 2023:

Roadway Maintenance includes activities related to street repairs, snow removal, traffic control, and street cleaning. They are responsible for over 254 lane miles of streets within the city limits.

This measure indicates the number of potholes filled, and the approximate cost to fill each pothole. Beginning January 20, 2021, a "standard" pothole is defined as being the size of large pizza box. Potholes will be divided no smaller than one half of a pizza box. Beginning in April of 2022, we began tracking pavement repairs separately from potholes. This has lowered the pothole numbers as many of them were previously counted in larger pavement patches.

Curbside Leaf Collection 2022-23

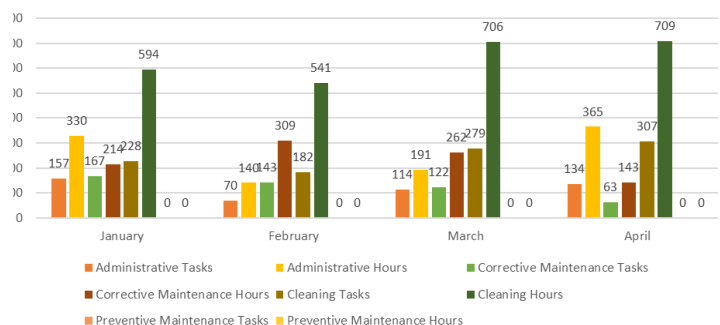

This chart indicates the number of leaf loads collected and the hours of work and cost associated with the curbside leaf collection program. One leaf box load is approximately 20 cubic yards of compacted leaves.

Building and Grounds Activities April 2023:

The Buildings and Grounds Division of the Public Works Department is responsible for the upkeep and repair of city facilities, grounds, and equipment. The division is responsible for maintaining the following facilities and grounds: Art Center, City Hall, Library, Public Safety Building, Public Works, South Fire Station, and certain maintenance functions at the Airport.

Monthly Work Summary

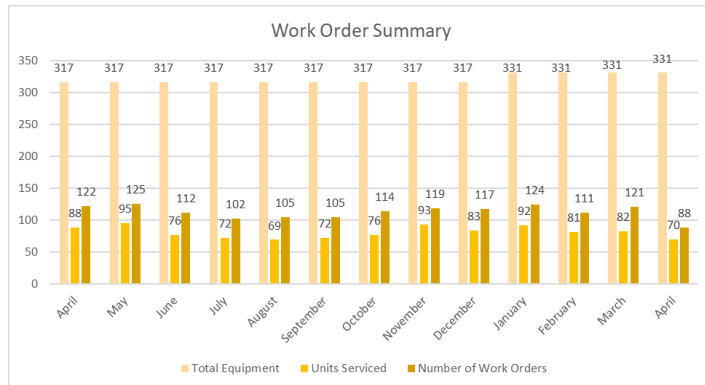

This chart indicates the number of work activities and the hours committed to them per month. Administrative tasks include ordering equipment and materials, requesting and receiving bids and quotes for work or supplies, project oversight, delivery of building supplies, training and paid time off. Corrective maintenance tasks are unscheduled repairs or work done on as-needed or emergency basis. Preventive maintenance tasks include routine, scheduled maintenance items and building cleaning and janitorial services.

Department of Public Works

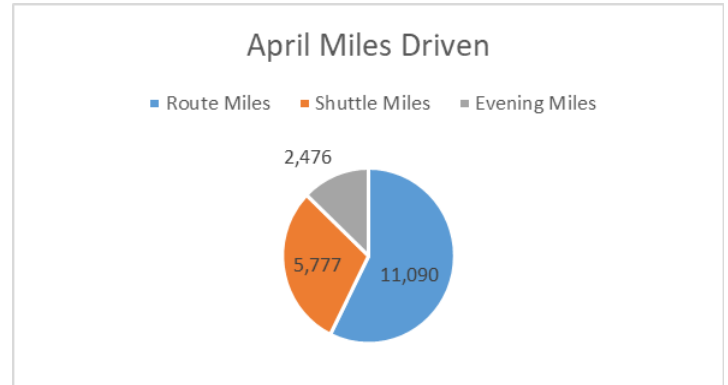

Vehicle Maintenance Division April 2023:

The Vehicle Maintenance Division services and repairs approximately 331 pieces of equipment and vehicles from all city departments with the exception of the fire trucks and ambulances.

Transit Summary of Operations for April 2023:

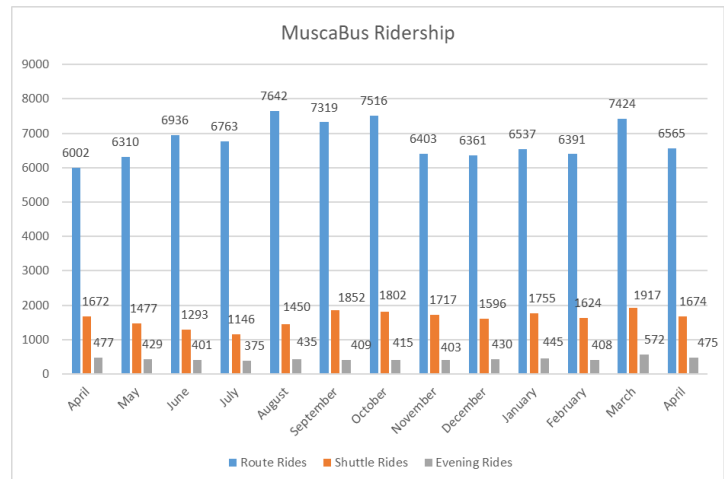

MuscaBus is the city's transit service. It operates four fixed routes, shuttle service, and evening service.

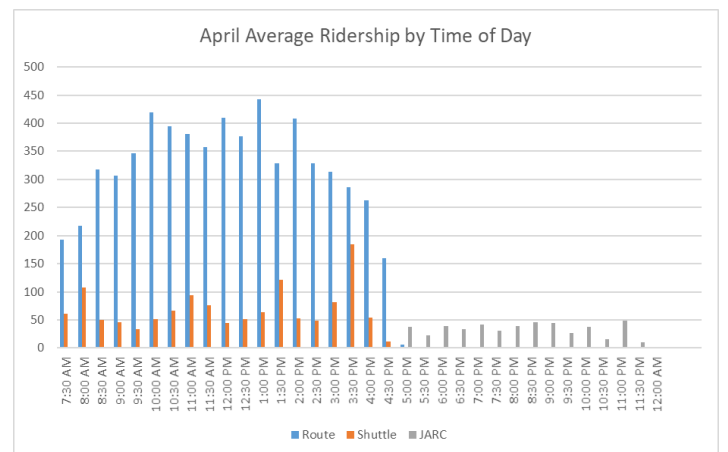

Engineering Division April 2023:

The following table describes current and proposed construction projects and their status:

Project Name	Project Start	Percent Complete	Project Notes
67th Street Sidewalk	September 2022	100%	Project Complete
Grandview Reconstruction	May 2021	97%	Sidewalks
West Hill Sewer Separation Phase 5	April 2021	70%	Sewer on Climer and Lucas
Park Avenue 4 to 3 lane	March 2021	99%	Punch List
2nd Street Streetscape	March 2021	99%	Punch List

The following chart describes the monthly activities of the Right of Way Inspector:

Department of Public Works

Solid Waste Division Report April 2023:

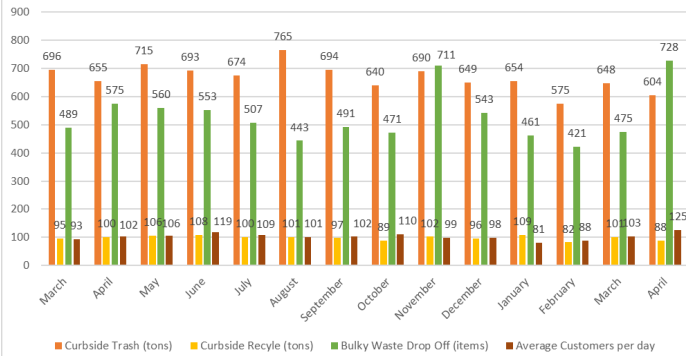

The Solid Waste Division consists of activities related to refuse collection, transfer station, compost site, and landfill, as well as overseeing the contracted recycling collection. Of special note this month was the replacement of the Transfer Station tipping floor.

Bulky Waste Pounds Per Stop, Per Month

Solid Waste Collections

This chart shows the amount of solid waste collected curbside (in tons) as well as the amount of material dropped off at the Transfer Station (per item). Dropped off items include: electronics, appliances, tires, household hazardous waste and recyclables. Also included is the average number of customers per day at the Transfer Station.

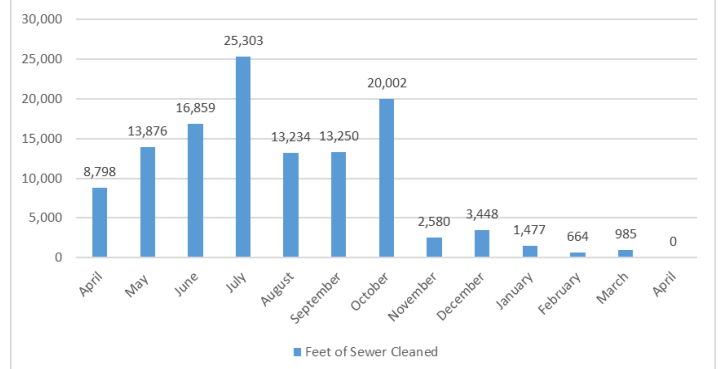

Collection & Drainage Division April 2023:

The Collection & Drainage Division is responsible for inspecting and maintaining the city's sanitary, storm, and combined sewer systems. This includes 993 storm water manholes, 2,407 sanitary sewer manholes, 151 combined sewer manholes, 2,840 stormwater catch basins, 112 miles of sanitary sewer and 68 miles of storm sewer pipe.

THE STORY OF APRIL 2023

PEOPLE LOVE WHAT WE DO AND WE LOVE SHARING THAT WITH YOU!

Musser Movies is one of our most popular programs on Channel 5.

We are celebrating the 100th movie! What I think makes Musser Movies such a hit is the information Dan shares about each film with the viewers. Dan is very insightful and cultivates a wide range of movies from the public domain and shares little-known facts about the actors, directors and a bit of their personal story, which I think really adds a lot of interest in these hidden gems.

Adult Studio

Colored Pencil Blending with Heather Seibel - Thursday, May 25, 5:15 - 6:45 p.m.

Pleasant Valley School District art educator Heather Seibel leads this class where participants will learn how to blend colored pencils using solvents. This process enhances the vibrancy of colored pencils and allows for the application of layers, creating a drawing that looks more like a painting. This method works well for any subject matter. Come with an idea or reference of what you would like to draw and have fun experimenting! **Class fee is \$15 or \$13.50 for Friends Members. No experience necessary. All supplies included.**

All About Succulents with Bonnie Buelt - Sunday, June 4, 1:30 - 3:00 p.m.

Island Floral owner, Bonnie Buelt, will guide participants in an informal learning workshop about selecting and taking care of various types of succulents. Bring your own coffee cup-sized container, and you will be provided with a starter succulent and potting soil. Other full-sized succulents from Island Floral will be available for purchase. **Fee is \$3 for a small starter succulent.**
